fig.1

[Start]

Youngest player go first. or toss a coin. Then play clockwise.

[Moves]

- Turn over 2 cards. You can take them if those 2 colors are same colors AND same as your color. If not match, turn them over again at the same places. (ex. If your color is red, you can take 2 reds but can't take white, blue and yellow.)

- Build won cards on your card.

- If succeeded or not, next players turn.

- If someone deals a Rocca card, all players must turn around. [fig.2]

The player can make a pair with the Rocca card and the other normal card as well.

[Optional Rules]

- If a player deal two Rocca cards, all players must turn around at his seat AND change their hands.

Hand all your cards to the next player on your left side. Now your color has been changed. [fig.3]

[End]

First build up 9 pairs of your color is the winner.
